

**ASSEMBLY BILL**

**No. 1567**

---

**Introduced by Assembly Member Campos**

January 4, 2016

---

An act to amend Sections 8482.6 and 8483 of, and to add Section 8483.95 to, the Education Code, relating to after school programs.

LEGISLATIVE COUNSEL'S DIGEST

AB 1567, as introduced, Campos. After school programs: enrollment: fees.

The After School Education and Safety Program Act of 2002, enacted by initiative statute, establishes the After School Education and Safety Program to serve pupils in kindergarten and grades 1 to 9, inclusive, at participating public elementary, middle, junior high, and charter schools. The act gives priority enrollment in after school programs to pupils in middle school or junior high school who attend daily.

This bill would instead give first priority enrollment to homeless youth, as defined, 2nd priority enrollment to pupils in CalWORKs assistance units, as described, and 3rd priority enrollment, for programs serving middle and junior high school pupils, to pupils who attend the program daily.

The act provides that an after school and before school program is not required to charge family fees or conduct individual eligibility determination based on need or income.

This bill would prohibit a program that charges family fees from charging a fee to a family for a child who is a homeless youth or who is a member of a CalWORKs assistance unit.

The act authorizes the Legislature to amend certain of its provisions to further its purposes by majority vote of each house.

The bill would set forth a legislative finding and declaration that it furthers the purposes of the act.

Vote: majority. Appropriation: no. Fiscal committee: yes.

State-mandated local program: no.

*The people of the State of California do enact as follows:*
